Position

November 2001 President – Present

Soler-Baillo Plastic Surgery

358 San Lorenzo Avenue, Suite 3225

Miami, Florida, 33146

Education

July 2000- July 2001

Chief resident

Division of Plastic Surgery

University of Texas Medical Branch, Galveston, Texas

July 1998- July 2000

Plastic surgery resident

Division of Plastic Surgery

University of Texas Medical Branch, Galveston, Texas

May 2000 **Aesthetic Surgery Fellowship**
Plastic Surgery Associates, Miami, Florida
Thomas Baker, M.D., James Stuzin, M.D., Tracy Baker, MD

July 1996 – June 1998 **General surgery resident**
Department of Surgery
St. Barnabas Medical Center, Livingston, New Jersey

July 1995- June 1996 **General surgery intern**
Department of Surgery
St. Barnabas Medical Center, Livingston, New Jersey

May 1995 **MD, Hazen Scholarship**
Mount Sinai School of Medicine, New York, New York

May 1991 **MS in Physiology**
Hahnemann University, Philadelphia, Pennsylvania

August 1988 **BA in Natural Science, Dean's List**
Fordham University, New York, New York

June 1983 **Phillips Exeter Academy, Exeter, New Hampshire**
Full Academic scholarship

Courses and Certifications

Advanced Cardiac Life Support 2012

Microsurgery Course, Baylor College of Medicine, Houston, Texas 1998

AO AS|F Maxillofacial Course on Operative Treatment of Maxillofacial Trauma and Reconstruction 1998

LASER Science and Safety Course 1998

Endoscopic Technique in Facial, Forehead, Breast, and Body; Cadaver workshop. ASAPS 2003

Publications and Presentations

Grand Rounds

Division of Plastic Surgery University of Texas Medical Branch Galveston, Texas

Facial Anatomy August 1998

Local Anesthetics October 1998

Cleft Lip May 1999

Abdominal Wall Reconstruction September 1999

Combined Plastic Surgery ENT **grand** rounds

University of Texas Medical Branch Galveston, Texas

Hand Sensation & Sensibility July 2000

Soft Tissue Tumors of the Hand September 2000

Bony Tumors of the Hands October 2000

Research

July 1998-2001

Wound Healing Laboratory, University of Texas Medical Branch Galveston, Texas

Effects of PDGF on a rat wound healing model

Effects of topical antimicrobials on human neurons and astrocytes

Effect on proliferation of human endothelial cells by topical antimicrobials

November 1993

Mount Sinai Medical Center, Department of Community Medicine

Soler-Baillo JM, McMurtry KA. *‘Factors Influencing First and Second Year Medical Students ’ Specialty Choice at the Mount Sinai School of Medicine’*

September 1988- May 1991 Likoff Cardiovascular Institute, **Department of Medicine**

Hahnemann University, Philadelphia, PA

Anatomical-functional correlates of the vagal reflex triggered by adenosine 5'-triphosphate in the canine heart.

Effects of N6-endonorbornan-2-yl-9-methyladenine, N086 1, on negative chronotropic and vasodilatory actions of adenosine in the canine heart in vivo.

Evidence for ATP triggered vagal reflex in a canine model.

January 1983 Department of Energy, Oak Ridge, Tennessee

Nuclear studies and training in radio-isotope procedures.

Licensure	Florida (No. ME82645)
Languages	English, Spanish, French, and Italian
Memberships	American Society of Plastic Surgeons & American Board of Plastic Surgeons
